

Kevin walks to the learning centre.  
He notices some strange things on the way.

Look at the street. Can you find all the  
strange things he sees?

4	V	A	N	
5		-	N	
6		-	-	B O X
7		-	-	-
8		O	U	-

The Framed Letter of Each Word

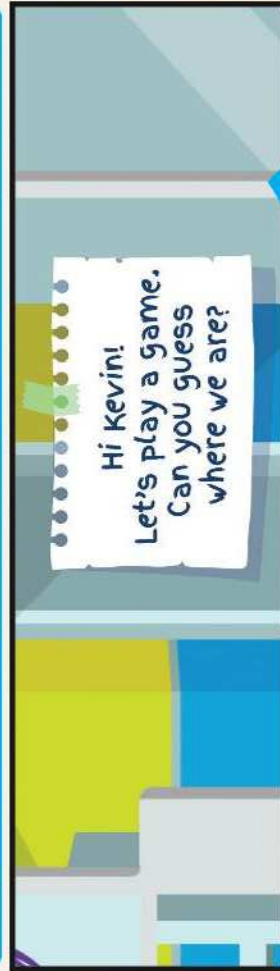

Kevin approaches the learning centre,  
but it is closed!

Kevin's friends left a clue to tell him where they are. Help Kevin solve the riddle to get the next key.

The Framed Letter

Find what is DIFFERENT in each row, then collect all the first letters together in the box below.

E	-	-	<input type="text"/>				
D	-	-	<input type="text"/>				
T	-	-	<input type="text"/>				
E	-	-	<input type="text"/>				

Where are all of Kevin's friends?

9

Kevin goes to the park next to the centre to look for his friends.

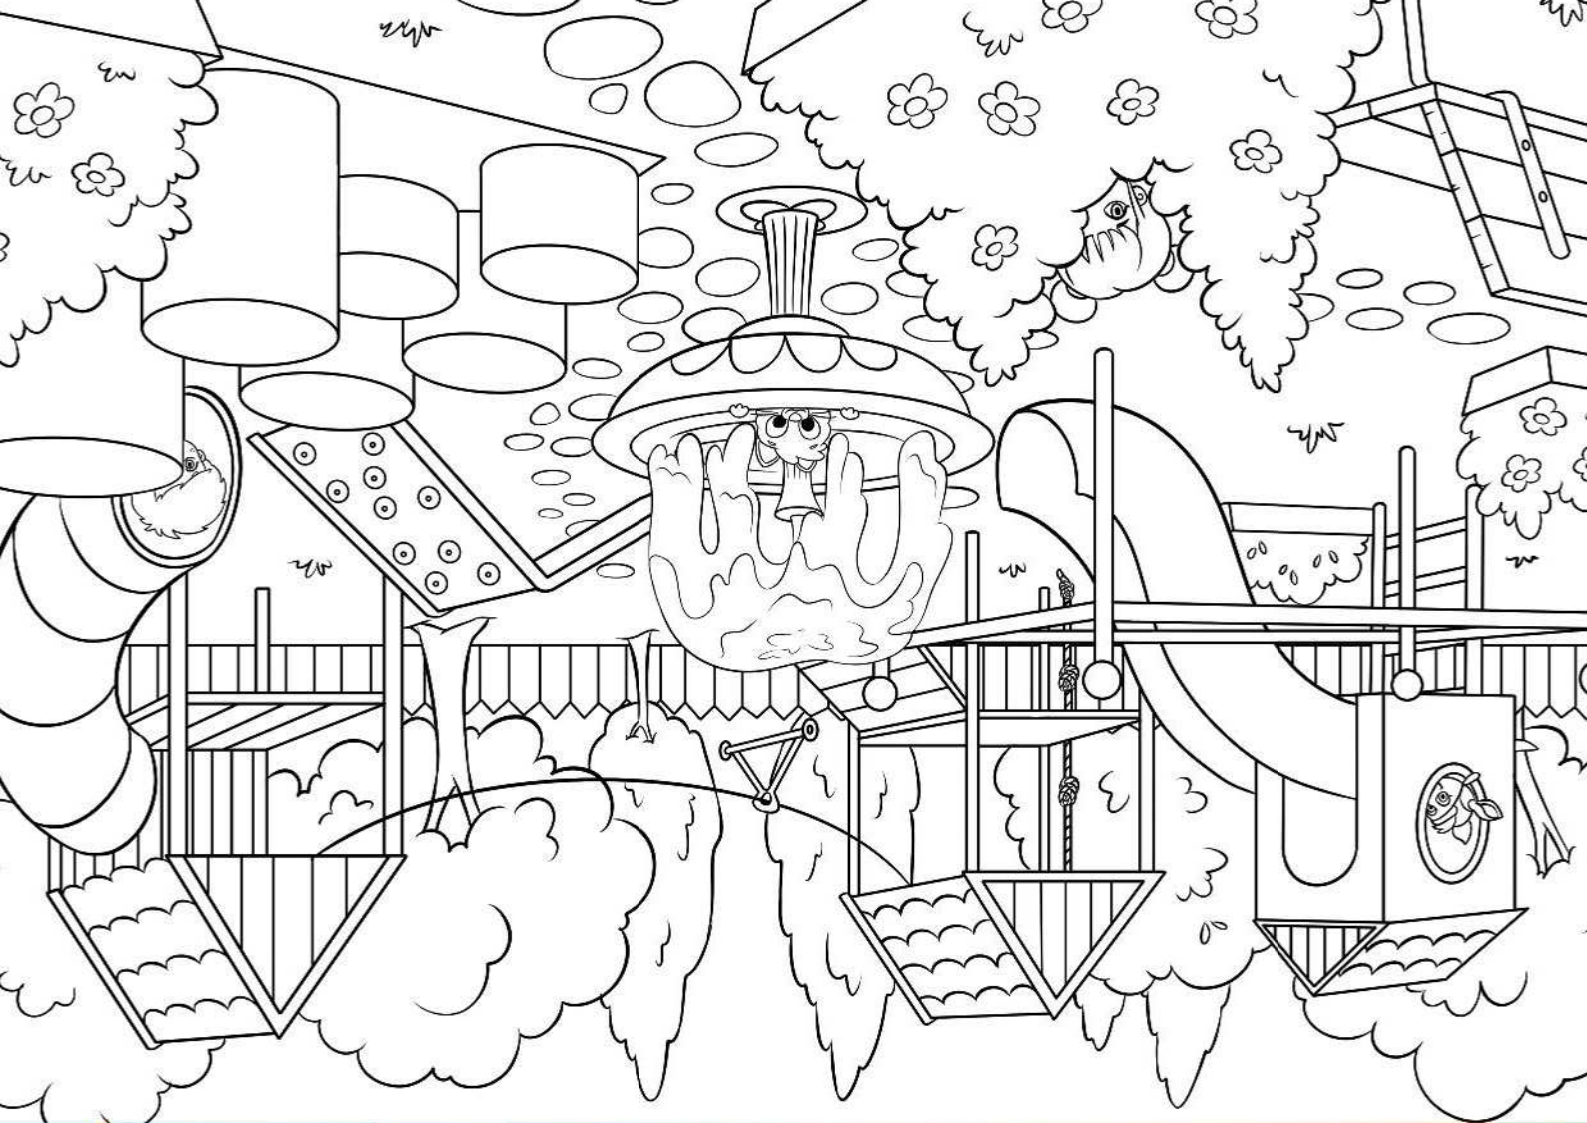

Colour in the page to find Kevin's friends.  
How many friends did you find in the park?  
Write the number down as a word.

10

- - - R

The First Letter of the Number

Hi Millie. Hi Joey. Hi everyone!  
Why are you all in the park?  
Why is the learning centre closed?

Kevin,  
you are so funny!  
It's summer.  
We're on vacation!

Oh, yes! I forgot!  
So what are we going  
to do today?

We can play games!  
Come join us, Kevin!

Find how many shapes of the same colour are hidden in the picture. Write down the number next to the shape.

H

11

The Framed Letter

Using the colour numbers you found in the playground (p.14), colour in each numbered shape to reveal Granny Fix's location.

Help Kevin and friends find the right way to get to the beach.  
Which animal knows the right way?

12

12

The First Letter of the Animal Name

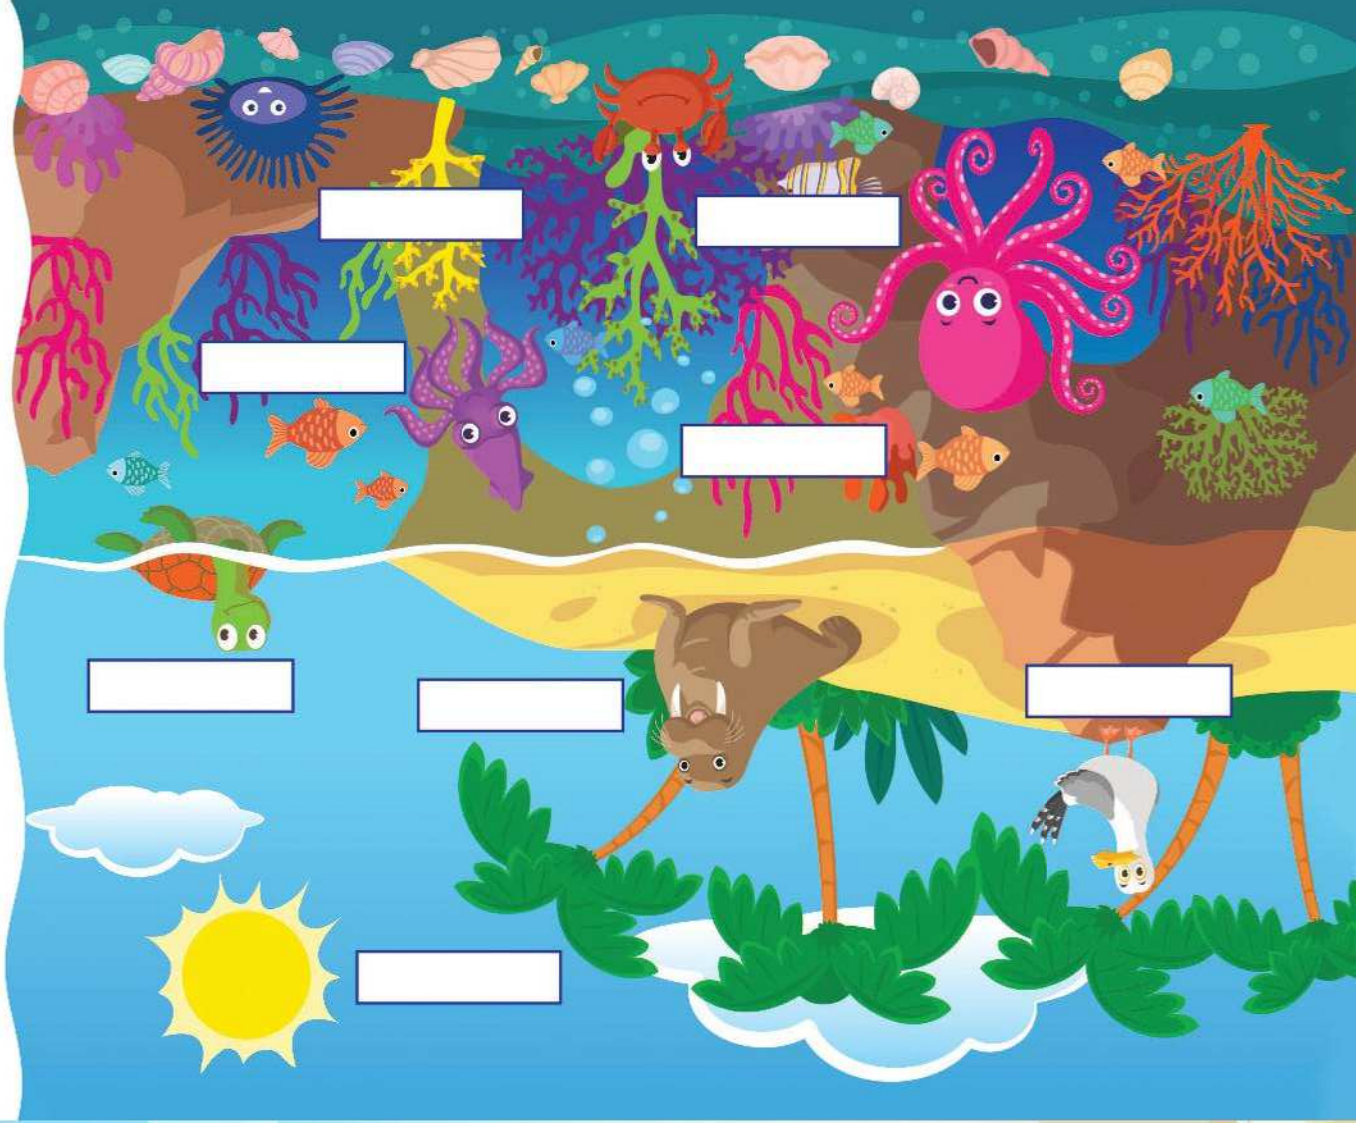

Write the words from the word bank in the right textbox.

What letter do the words all have in common?

BUBBLES  
SUN  
SQUID  
WALRUS  
SEA TURTLE  
SEA URCHIN  
OCTOPUS  
SEAGULL

### Crack the Code to Unlock the Gift.

Each row of numbers contains a hint about which numbers are right. Your challenge is to decode the correct 3 numbers and then open the lock.

5 3 8

One number is correct  
and in the right place

5 8 7

Nothing is correct

2 7 3

One number is correct  
but is in the wrong place

4 7 1

Two numbers are correct  
but are in the wrong place

Add the numbers  
and write the answer in a word

14

— + — + — =  — — — —

Framed Letter

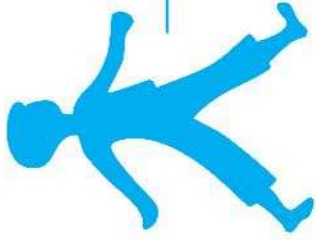

## Book instructions

- The story contains 10 fun activities for children of all ages (and parents).
- In each activity, solve the challenge to collect a “key”, and write the answer at the bottom of the page.
- At the end of the book, place the numbered keys into their proper place in the final puzzle.
- Don't forget to have lots of fun on the way!!

You can find all the answers here:  
[www.helendoron.com/summergift2022](http://www.helendoron.com/summergift2022)

This is Kevin.

You always see  
his shadow, but  
this is how he  
looks FOR REAL.

Every Monday, Kevin goes to learn English  
with his friends at the Helen Doron Learning  
Centre near his house.

Welcome to the World of Helen Doron

Helen Doron®  
English

Today is Monday. Kevin packs his bag.  
But oh no! He can't find his things!

Oh, what a messy room! Can you help find  
the missing items with Kevin's figure on  
them? Write their names below.

- 1  A T
- 2  P \_ \_
- 3  O \_ \_ O O K

The First Letter  
of Each item
